

CHURCH VISION - MARCH 2010

Introduction

Our senior pastor Niko believes that we are all spending time in prayer tower. In prayer tower, God will give us the instructions. After 18 September 2009, the Jewish calendar changed from 5769 into 5770. This is the year of AYIM. AYIM talks about the eyes. It refers to the eyes of God and our eyes. God spoke to senior pastor Niko from psalm 32:8 below.

Key Verse: Psalm 32:8

"I will instruct you and teach you in the way you should go. I will guide you with My eye."

Discussion

1. God's guidance in our life (Psalm 123:2)

This is an amazing year where God will speak specifically. There is emphasize on His guidance in our life. God's eyes are fixed on you, do you want to be guided by God ? The eyes in this verse also refers to our eyes, if you want to be guided by God and you want to understand His guidance, you need to fix your eyes on Him. It's like the eyes of the servant gazing at the hand of the master, as the maidservant looking at the hand of the maiden until He has mercy on us. Since 2009, God spoke to senior pastor Niko that He is coming back soon. It is not an ordinary statement from the lord, in these days, God will instruct us to prepare His second coming. We need to live in intimacy with God otherwise you will not understand His guidance because most of His guidance does not make sense. It is not easy to understand God's guidance, especially if the instruction does not benefit us, you might think it's from the devil, don't rebuke it but pray and praise and worship God instead. That's why we need to be intimate with God so we know and believe that it is God who is speaking.

2. Spend time in prayer & fasting (John 10:10)

In 2010, God wants us to pray and fast, senior pastor Niko spends more time in prayer tower. In accordance with God's second coming, God spoke strongly on two thing - intimacy and the kingdom of God. When you preach, preach about these two things. The anointing that come will be even greater, which will make us more sensitive towards Him. Entering 2010, God spoke on John 10:10 "the thief come to steal, to kill and destroy but I come to give you life in abundance". Based on this verse, senior pastor Niko proclaim the year 2010 is the year of restoration and abundance, do you believe in this? What does God mean by restoration, Jesus comes that they may have life. Before Men have fallen into sin, the relationship between men and God is so intimate. After Men have fallen into sin, their intimate relationship is broken, their spirit died but praise God that Jesus came and whoever believe in Him, his spirit will be alive again, He is the way, truth and life. In year 2010 there will be many people come to repentance and receive Jesus. Jesus said, I'm the resurrection, whoever believe in me he will live again even though he already died. Death means no hope. Maybe you think there is no hope to your sickness, relationship and business. But God said I'm the resurrection and life whoever believe in me he will live again even though he is already died. We just need to believe. Don't ever say again it's impossible, before the lord and those who believe it is always possible.

3. God will turn the impossible to be possible (Joel 2:23-27)

God gave senior pastor Niko a new ministry in healing. He has seen how God has healed the impossible - the deaf & mute since birth is impossible according to medical science. But it has happen many times, something that is impossible to men, God turn it to be possible, God is asking do you believe in this ? There is a servant of God who says, the key to enter year 2010 is obedience, believe and do it because you are intimate with God. Loving God with all your heart, might and soul, these kind of people will love others like himself. Restoration & abundance also talk about returning back those things that has been missing (because it is stolen by the devil) plus the bonuses. God illustrate through the book of Joel, tribe of Zion be joyful because God is pouring out the early and latter rain so you will be overflowing with wheat, wine and oil. Rain talks about blessings. God will restore the years that the locusts has eaten away.

4. God will pour out the Holy Spirit (Joel 2:28-32)

The early rain and the latter rain also refers to the outpouring of the Holy Spirit. When Holy Spirit is pour out mightly there will be harvest of wheat, wine, oil which talks about souls, joy and anointing. In July 2009, God spoke to senior pastor Niko, I will pour out my spirit and there are 3 signs according to the book of Joel:

- your sons and daughters will prophesize, the old men shall dream dreams and maid Servants shall receive visions
- God will do wondrous things in heaven and earth, blood, fire, smoke. The sun will becomes dark and the moon will turn into blood.
- Many will call unto the name of Jesus, they will be saved. Amen!

Shaking will keep on happening, in Indonesia, Taiwan, Haiti where else is next ? For us , let us pray in tongue more to receive the outpouring of the Holy Spirit. Don't wait for the Holy Spirit to fill you but start by opening your mouth and pray in tongue then the Holy Spirit will come and fill you. For restoration and abundance to happen, Moses spoke to the Israelites in Deutronomy 11:8-32, if you hold fast to the commandment today, love God, worship God with all your heart, God will give you 3 things:

- Strength to posses the land
- Long life
- Rain for your land - the early and the latter rain.

Closing

The key to receive restoration and abundance is obedience just believe and do it. Even though, it doesn't make sense. That's why we need to be intimate with God otherwise we wouldn't understand His guidance. There is something extraordinary is about to happen this year. As William Seymound had mentioned, in 100 yrs the last day revival will happen. Be prepared this is the time!
